

Making Inferences

When you make an inference, you take what the author tells you (quotes) + what you know (prior knowledge) and make a conclusion that isn't mentioned in the text (an inference).

What I know from the text Direct Quotes	What I know from my brain Prior Knowledge

My Inference My conclusion based on the above

Key Ideas and Details RI.1 Anchor Standard
Read closely to determine what the text says explicitly and to make logical inferences from it; cite specific textual evidence when writing or speaking to support conclusions drawn from the text.
